7/2/03	A02-03-035	Application of Southern California Edison Company (U 338-E) (Edison) and Pacific Terminals, LLC (Pacific) for Edison to sell fuel oil pipeline facilities to Pacific and for Pacific to purchase such fuel oil pipelines and to operate them as a public utility
--------	------------	--

Summary: On June 27, 2003, Southern California Edison Company delivered to David Gamson, advisor to Cmmr. Brown, a two-page summary (attached to the notice) of Edison's position on issues raised at the June 9, 2003 meeting. The communications explains why it is incorrect to conclude that the proposed transfer of the subject facilities is not in the public interest; why California Public Utilities Code Section 377's prohibition is not applicable to this transaction; and why the ratemaking treatment of the sale proceeds set forth in the proposed decision is not unreasonable and is fair to ratepayers.
